A 20th Anniversary Celebration Dinner

featuring Canadian Roast Beef, Deerwood Projects,

and Dr. Tim Ball, Noted Climatologist on

"Water Management Challenges for Agriculture in Manitoba - Past, Present, and Future"

DR. TIM BALL

Tim has been a popular speaker at past Deerwood events, so we thought it would be appropriate to bring him back. Tim is a research fellow with the George Morris Centre for Agricultural Policy, and a board member with Agriculture in the Classroom (BC). Tim is well known throughout Agri-Manitoba from his distinguished career at the University of Winnipeg. He is a regular contributor to Country Guide magazine, and he recently been featured in the National Post.
